

What's happening at Fast Traxx.....
by Shawna Bickley

2008 was an awesome year for Fast Traxx Promotions. We want to thank all of our riders and their families for a record breaking year. With record rider numbers and lots of fun events, 08 was our best and busiest year ever.

Our annual July 4th Rumble by the River event was bigger than ever. Also we had the 1st annual Fast Traxx rider appreciation day and lunch with over 250 riders attending. We finished our 2008 season in December with our Southeastern Ohio Super Series Banquet which recognized 100 of our best riders. Over 200 riders and their families attended, making our 08 banquet a memorable day for everyone. Thanks to all of our sponsors for helping to make our banquet a success.

Looking ahead to 2009, we are hoping to open for practice in April (weather permitting) And remain open for the entire season every Wednesday from 10a-8p \$20 per rider to ride all day. There will be a separate beginner track available. Bikes and Quads welcome. And as always the tracks will be prepped and maintained throughout the season. Fast Traxx Motoplex is available for private track rentals and parties throughout the season.

Our 1st race will once again be the Loretta Lynn's Area Qualifier April 18-19. Our gate will open Thursday Apr. 16 for our riders convenience with Friday open practice. The gate will remain open day and night as well as early registration from Thursday through Sunday.

Some highlights of our 2009 season include a huge bigger than ever 5th Annual 4th of July Rumble by the River Event with Friday night party including DJ A-Rock from Class A Sounds (Athens Ohio) Hog Roast, Door Prizes and a bigger than ever fireworks display following our Saturday Night Supercross. We will once again be holding our Fast Traxx Super Series and with over 20 SX, MX & GP AMA & District Sanctioned events to ride there is truly something for every rider. For bikes and quads alike.

Be sure to check out fasttraxx.com for practice and racing information. Hope everyone has a safe and happy new year. Look forward to seeing you all in the spring.
