

Levi Coen along with Gary Goodwin at Pitsterpro both take a chance in 2009 with a production based youth race quad, that has had it's growing pains, but has more than proven itself to be a national contender in the Can Am Grand National Cross Country Series.

From day one Levi has worked closely with James Giddings from Giddings Machine Racing and Gary Goodwin from Pitsterpro to assure that the Pitster Pro quad is race ready!! Long hours in the garage and testing on the track have paid off and Levi has been winning races across the country.

Currently Levi is winning the supermini class at the Can Am GNCC as well as Southeastern Ohio's Fast Traxx Promotions Super Series youth production ATV and ATV supermini classes.

Throughout his ATV youth career it has been easy to see Levi's natural ability and passion for racing always giving 110% on the track. His consistency and dedication have paid off for Levi with several championships to show for all his hard work.

Including the 2008 District 11 Grand Prix Youth Production ATV Class Champion, 2008 Fast Traxx Super Series Youth ATV 11-15 Champion, 2<sup>nd</sup> in the 2008 Fast Traxx Super Series Youth Production ATV 12-15, 2<sup>nd</sup> in the Father / Son 2008 Team Harescramble Championship of the World. 2007 Fast Traxx Super Series Youth ATV 11-15 Champion, 2007 Youth ATV Team Harescramble of the World Champion and 2006 Mid West Grand Prix Series Champion Youth ATV.

It's important to thank everyone for their continued support including Gary Goodwin , James Giddings and the entire GMR racing team and Dad Norm Bickley for all their hard work and dedication. As well as their support and faith in my ability. You couldn't ask for a better group of guys. With an exceptional race quad and the best team support Levi is definitely one up and coming youth rider to keep your eye on in the future. Also a huge thanks to Gary Rozelle for this awesome opportunity and all that he and his family do for the youth riders of this sport.
